CLUB NOTES

WHAT a dream start to the game last Saturday against Bournemouth, when Mike Farrelly blasted us into the lead after only 70 seconds.

It was never going to be an easy game against an efficient, hard running Bournemouth side, but the North End team applied themselves well, and even after the visitors had drawn level showed a great deal of determination and belief that they could win the game. David Johnson supplied the killer goal, and all in all a good team effort proved that Preston were value for their three points.

A disappointment followed at Valley Parade on Wednesday night, when after holding the league leaders for the first 30 minutes, North End finally went down by three goals to nil. It now seems almost certain that Bradford will be playing in Division Two next season as they are now eleven points clear and going strong.

Results in Division Three this week have been of a topsy turvy fashion, with teams in a similar plight to that of North End losing at home and away making very little difference to their league positions for all the mid-week activity.

On the Youth front, we have a new signing this week, Sixteen year old Ian Wilkinson from Litherland, Liverpool who has joined the club on Associate Schoolboys

forms. Ian is a 6ft forward or left sided midfielder who has had trials with Luton, Liverpool and Everton. He is a Litherland High School footballer who also turns out for Mereside Youth Assoc. Coronation F.C. the latter playing in the Litherland League and has represented Sefton Schools.

Ian signed for North End as a result of attending trials at Deepdale during the half-term school holiday in February, when 50 boys from all over the North West spent four days at the club - he'll shortly be on view in the North End 'A' team when his registration is complete.

Today is 'Derby Day', something that we all sincerely hope will be with us next season in Division Three, in fact on several occasions with Bury and Blackpool perched on top of Division Four.

There is always a special atmosphere when local rivals meet and I hope this afternoon will be no exception. Let's hope that we're entertained to a good old fashioned 'Lancashire Hot Pot'.

SPOTLIGHT ON THE VISITORS

BOLTON WANDERERS F.C.

TODAY we welcome our friends and neighbours, Bolton Wanderers who, like ourselves, are unfortunately rather too close for comfort to the relegation zone at the moment.

Founded in 1874 they were, like ourselves, one of the twelve original members of the Football League. In 1891/2 they finished in third place and then in a series of ups and downs before the first World War they were relegated four times, promoted four times and twice reached the F.A. Cup Final.

They enjoyed a long unbroken spell in Division One from 1911-1933 in the course of which they won the F.A. Cup three times in the twenties. Their most recent major honour was their 1958 F.A. Cup final win over the post-Munich Manchester United. By 1971, however, they had slipped to Division Three for the first time and, though they enjoyed two years back in Division One in the late '70's, they slipped to Division Three again in 1983. Last season after a good start which included an 8-1 win over Walsall, they ended up in tenth place.

THIS SEASON

They again began well with a Milk Cup win over Second Division Oldham and a 7-2 win over Plymouth. Things went badly wrong away from home, however, and their only away victory to date is a 2-1 win at Bristol Rovers in January. In recent weeks they have parted company with manager John McGovern and former goalkeeper Charlie Wright is now in charge until the end of the season. Last week they went down 3-1 at home to Burnley and 4-1 at home to Bristol City.

In spite of Wanderers' lack of success, strikers Tony Caldwell, who is in his second season, George Oghani (ex Hyde United) and former Leeds man, Jeff Chandler, have all been scoring regularly. In midfield our former player Graham Bell links up with Warren Joyce and former apprentice Mark Came, in defence the men to look out for are Ray Deakin (ex Port Vale), Brian Burrows (ex Everton) and local lad Jim Phillips. Paul Lodge (ex Wigan and Rotherham) may be in either midfield or defence, while in goal Simon Farnworth is now in his second full season.

SIMON FARNWORTH (goalkeeper) - After a promising and patient apprenticeship, Simon made the most of his break into the Bolton first team last season and missed only ten games.

BRIAN BORROWS (defender) - Player of the Year last season, the cultured former Everton full-back made a terrific impression in the Third Division. Can also play in midfield.

RAY DEAKIN (defender) - The Bolton skipper showed great determination in regaining his place after losing his form in the middle of last season. The former Everton and Port Vale defender made 47 appearances.

JIMMY PHILLIPS (defender) - The Bolton youngster has made great strides in his bid for first team recognition and deserved the chance of his first full appearance against Bristol Rovers on the opening day of the season.

MARK CAME (defender) - The hard-tackling central defender gave up a 9 to 5 job to move into the professional game when he joined Wanderers from non-league Winsford United at the end of last season.

WARREN JOYCE (midfield) - Missed only one game in the Bolton, midfield last season, the young all-round sportsman has played County Cricket at Colts level and is a Rugby Union Schoolboy tourist.

GRAHAM BELL (midfield) - John McGovern turned to the former Oldham and Preston man when he was looking for a touch of experience to add to his midfield last season. Signed on a free transfer from Carlisle United and enjoyed an unbroken 19-match run.

STEVE THOMPSON (midfield) - The man Wanderers rely on to operate on the right hand side of midfield, the youngster, son of an ex-League player, played 45 games in Bolton colours last season.

JEFF CHANDLER (forward) - Jeff enjoyed his most successful season scoring 17 goals and being Bolton's only ever-present last season. A Republic of Ireland international the former Blackpool player cost Bolton £40,000 when he signed from Leeds in October 1981.

TONY CALDWELL (forward) - set the Third Division alight when he scored a Club record five goals in Bolton's 8-1 win over Walsall in September last season, while on part-time forms and still an electrician. The recruit from non-league earned a full-time contract and ended the season top scorer with 22 goals from 37 appearances.

GEORGE OGHANI (forward) - Another signing from non-league, George switched from the wing to central striker to earn himself a second chance after John McGovern had tried to sell him back to non-league in the summer.

AGNEW'S REVIEW

Paul Agnew
Lancashire Evening Post
Winner of the North West Sportswriter
of the Year Award, 1983 & 1984.

BOLTON Wanderers arrive at Deepdale this afternoon with the unenviable distinction of holding the worst away record in the entire Football League.

The Wanderers - hardly happy! - have lost thirteen of their fourteen matches on 'foreign' soil so far this season and their 4-1 home defeat by

Bristol City this week leaves them back on the fringe of the Third Division relegation zone.

Defeat by Preston would give Charlie Wright's team a real problem for it is significant that they only have five more matches left at Burnden Park.

I was having a chat with Preston striker David Johnson this week and it was refreshing to hear the former England International's confidence that North End have got what it takes to avoid the dreaded drop.

Johnson pick up some useful tips during his time with the likes of Liverpool, Everton and Ipswich and he stresses that North End should not make the mistake of looking too far ahead.

The old adage of taking each game as it comes is particularly valuable according to the experienced striker.

I believe that struggling Second Division side, Wolves, are considering lengthening the contract of one Tommy Docherty, their manager, who is well known in these parts.

Considering Wolves' precarious position and abysmal record this season, it leaves you wondering doesn't it?

Edward Cashfield HARPER
Born Sheerness, Isle of Sheppey, Kent. 22.8.1902
5'10" tall & 11st. 11lbs.

At the end of 1931 PNE were in deep financial trouble with an overdraft of £11,500, but a stroke of genius was about to be made as Mr. J. I. Taylor approached Tottenham about signing two experienced, ex-international players. The players concerned, Dick Rowley and Ted Harper, both signed for PNE for a combined fee of £2,500, with Harper being valued at £1,000. Spurs were paid £1,250 after good gate receipts from FA Cup games with Bolton Wanderers and they accepted further instalments of £100 after each PNE home game.

Ted Harper, an impressive centre-forward, started football quite late in life, for he was 15 years old before taking an interest in the game. He was spotted playing for Sheppey Utd., a Kent league side, from where he went to Blackburn Rovers, Sheffield Wednesday and Tottenham before joining PNE on 11.12.31. North End were then 3rd off the bottom of Division 2 and going through a traumatic period. The Deepdale fans soon responded to North End's enterprise in capturing Harper and Rowley especially after their Deepdale debuts when 3rd placed Bradford City were emphatically beaten 5-2 with explosive Ted scoring twice. That was PNE's best result for exactly 12 months. Wolverhampton Wanderers, who went on to win the 2nd Division Championship, were also made aware of the difference Ted had made to the forward line as his striking ability helped to beat them in the league and the FA Cup. The cup tie drew 39,841 fans and in the league game Ted achieved his first hat-trick at Deepdale including a penalty which apparently "broke the net". Ted also hit hat-tricks against Southampton and Plymouth as the fear of relegation was eased with PNE eventually finishing up a respectable 13th in the league. Ted in just 23 appearances scored up 24 goals, just 4 short of equalling Tommy Roberts' record.

Season 1932/33 was a tale of two halves, Bob Kelly had arrived from Huddersfield, and with this seasoned campaigner's help, Ted continued to find the back of the net with ease. The only setback was in defence as 13 games were lost before January, but with the arrival of Holdcroft, Lowe and Milne in defence just 3 more games were lost in the latter half of the season. The makings of a decent team was now in evidence with the defence being dramatically strengthened. Ted had scored 19 times before Christmas including 4 v Burnley and 3 v West Ham. Admittedly

Kelly did a lot of spade work for him but even so Ted was a force to be reckoned with in front of goal. Another hat-trick in a 3-3 draw with Manchester Utd. brought his total to 25 and on 11.3.33 v Lincoln, fittingly at Deepdale, he bagged 4 goals to break Tommy Roberts' record of 28 league goals, and by the end of the season he had 37 to his name. Out of that total 30 had been scored at Deepdale and the PNE fans also saw him score 5 v Everton (Lancs cup replay) and 4 in a 9-2 friendly against the Corinthians. Ted at the end of that season then proudly held the scoring record for PNE, Blackburn and Spurs, a great feat. He would still hold all three but for Jimmy Greaves surpassing his Tottenham total.

In North End's public practice game at the start of 1933/34, J. Brain, a young Welsh centre-forward, one of 4 new forwards on show, scored 3 goals but Ted Harper on the other hand was not being displaced without a fight as he also scored two. Now aged 31 Ted was still amongst the goals, scoring 6 in the first 8 league games of the season, including his 250th league goal, 16.9.33 in a 4-0 win v Nottingham Forest (14,661). Ted's last PNE goal was against Plymouth, just as his first one was. Ted went 3 games without scoring whilst young Brain, coming back from injury, scored a hat-trick in the reserves and it was not long before he was given his big chance in the 1st team, scoring twice in his first 3 appearances.

Ted, in the meantime, was quickly and quietly transferred back to his first league team, Blackburn Rovers, amid the minimum of fuss and publicity. North End though, being good at "wheeling and dealing" received £1,300 for him. He had done his job well at Deepdale.

Ted ended up as assistant trainer at Ewood until May 1948 and on 22.7.1959 he died aged 56.

PNE STATISTICS - Played 75 league games scoring 67 goals (4 penalties). Played 5 FA Cup games scoring 2 goals.

WOMEN'S UEFA INTERNATIONAL

England v Scotland

at Deepdale, Sun, 17th March, kick-off 2.30pm

AS we are holding a Women's International match here at Deepdale next week, it would be an appropriate opportunity to mention a game played on 16.12.1920.

It was the first game played under artificial lights, here at Deepdale this century. The teams were the famous Dick Kerr's Ladies v Rest of England Ladies and it was in aid of the unemployed ex-servicemen of Preston. Dick Kerr's Ladies turned out 11 of the women who had had a successful tour of France and they attracted a 10,000 gate raising nearly £600 for the charity.

Two military searchlights were used along with 40 carbide flares which were placed around the ground. There were lent by the War Office. Owing to an airlock and a petrol shortage, the searchlights twice went out of action, and due to all the footballs being of a brown colour in those days, the ball was changed periodically so as it could be given another coat of whitewash!

The Rest of England ladies by the way lost by 4-0.

DID YOU KNOW that ladies cricket has also been played here at Deepdale, as well as Baseball and Lacrosse. If we invest in an artificial playing surface who knows what game will be played on Deepdale in the near future.

'A' TEAM REPORT

from Peter Corbett

LFA Under-18 Youth Cup Replay v Bolton Wanderers at Deepdale, Thursday, 28th February, 1985.
PNE 4 Bolton Wanderers 2.

PNE Team: Kelly (A.Jnr), Sandells, Williams, Proctor (1), Lean, Hunter (R), Murphy, Rowlands, Whiteley, Stevens (1), Greenwood (2). **Subs:** Pemberton, Norris (not used).

CONTINUING in their now familiar pattern, North End found themselves in arrears within 5 minutes when the defence was caught in disarray allowing Bolton to score an early goal.

After some frantic play both teams settled down with Preston beginning to put the Wanderers defence under a certain amount of pressure. From one of the resultant corners, Proctor climbed high to head into the roof of the net, bringing the score level. From this point the Preston team continued to press forward and were rewarded in the 30th minute by a goal from Greenwood.

For the rest of the half play fluctuated from end to end with Kelly perhaps being the more busy of the two keepers. On the resumption of the second half, North End allowed Bolton to dictate the early exchanges and it came as no surprise when the visitors equalised from a through ball which eluded the Preston defence and left Kelly well beaten.

For the next period of the game North End contained a lively Bolton team, and it was due to some brave goalkeeping by Kelly that restricted Wanderers from increasing their goal tally. However, the home team took the lead, when in spectacular fashion Whiteley broke free from the Bolton defence and taking the ball from the half-way line finished with a blistering shot which the keeper was only able to parry leaving, Stevens with the easiest of chances to score from close range.

The Preston team, now rejuvenated, in the latter stages of the game played extremely well. Bolton's anguish was complete when in the final minutes Greenwood scored from a superb header, this bringing his goal tally to five from the last 2 games.

Soon after the final goal, the referee blew to end a hard fought encounter, which on reflection Preston deserved to win after showing excellent team work, energy and determination.

This result rewards them with a place in the Semi-Final of the competition when the opposition will be Wigan Athletic.

Lancs Football league, Saturday, 2nd March. Manchester United 'B' 4 PNE 'A' 1 at Manchester University Ground.

PNE Team: Kelly (A.Jnr), Sandells, Allen, Proctor, Lean, Brown (D), Walsh, Pemberton, Savage, Jemson (1), Norris. **Subs:** Brown (P), Lennigan. (both used).

In this morning encounter with Manchester United, North End fielded a largely inexperienced side when most of the young schoolboy players on the clubs books were given a run out to sample a higher grade of football to which they are not usually accustomed.

The opening exchanges were even with the young Preston team acquitting themselves splendidly. With both defences on top a goal from either side looked highly unlikely. It was Preston however, who eventually broke the deadlock when Jemson, who had moved out to the right, outstripped the United defence and scored with a strong shot into the far corner of the net.

This was to be the only goalscoring shot of the half and at the break Preston went in leading from the solitary goal and having put up a creditable performance.

In the second half of the game the stronger home team

began to mount an assault on the Preston goal, and for the first time cracks began to appear in the Preston rear guard. As the game progressed the North End team showed signs of tiredness, which under the circumstances was not surprising.

In spite of an excellent performance by Kelly in the Preston goal, who had now become the dominating figure and restricted the score by a series of brave and reflex saves, the Manchester team scored at regular intervals and eventually finished up worthy winners.

On reflection the final score line 4-1 does a disservice to the Preston team, who to their credit never gave up trying.

In conclusion, it must be remembered that the object of the exercise was not so much obtaining a win result, but allowing the younger players to play at a level at which they have never before performed and in this respect the match proved beneficial.

All the 13 players in the squad played at least sometime in the game. The lessons learnt can only go in some way to improving both the attitude and application to their game in the future - for it is to the future we are looking.
